

The background of the slide features a stylized illustration of a family walking from left to right. On the left, a man in a white t-shirt and dark pants is walking. Next to him is a small child in a red shirt and white cap. To the right of the child is a woman in a green dress, and further right is another child in a white dress. They are walking past a large, arched window with a yellow frame. The wall is a textured reddish-brown color.
